Customer Window  
Crystal Plaza Two, Lobby, Room 1B03  
Arlington, VA 22202

Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(c)**

Pursuant to 37 C.F.R. § 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the documents listed on the attached PTO Form 1449. This Information Disclosure Statement ("IDS") is being filed after the events recited in 37 C.F.R. § 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final Office Action, a Notice of Allowance, or any action that otherwise closes prosecution in the application. Accordingly, this Information Disclosure Statement is being filed under the provisions of 37 C.F.R. § 1.97(c), and is accompanied by the statement specified in 37 C.F.R. § 1.97(e). Thus, no fee is due for the filing of this Information Disclosure Statement.

Applicants respectively submit that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign patent application not more than three months prior to the filing of

this Information Disclosure Statement. Specifically, the listed documents were first cited in a search report issued by the European Patent Office ("EPO") on December 7, 2004 in a counterpart European patent application. A copy of the December 7, 2004 EPO search report is attached for the Examiner's consideration.

The following documents are in a language other than English. 1) JP 2000-285469 and 2) JP 2001-023170. The relevance of these documents can be understood from the attached English-language Abstracts, the drawings and their citations in the attached EPO search report.

While the attached EPO search report dated December 7, 2004 cites to additional references, they are not included herewith because they were previously filed in an Information Disclosure Statement in this application on September 27, 2004.

Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached PTO Form 1449. Copies of the documents are enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "Prior Art."

If it should be determined that any of the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of any such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should any of the documents be applied against the claims of the present application.

**EXCEPT** for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. § 1.16 and 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account No. 50-0310. This paragraph is intended to be a **CONSTRUCTIVE PETITION FOR EXTENSION OF TIME** in accordance with 37 C.F.R. § 1.136(a)(3).

Respectfully submitted,

**MORGAN, LEWIS & BOCKIUS LLP**
